WASHINGTON, D. C.,  
December 18, 1934.

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act, for an amendment to the Code of Fair Competition for the Retail Monument Industry, submitted by the Code Authority for such Industry.

The effect of the amendment is to transfer the State of Arizona from Division 14 to Division 16 and to combine it with California and Nevada in Division 16.

### FINDINGS

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter;

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

For these reasons, this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

DECEMBER 18, 1934.
